

Domaines Vinsmoselle - Caves de Wormeldange

Domaines Vinsmoselle was founded in 1921 and is Luxembourg's first wine and Crémant producer. The wine grower's cooperative count four premises with wine shops and rooms for conferences, meetings and events along the Moselle River.

One of them is the CAVES DE WORMELDANGE, founded between 1927 and 1930. The prestigious Art Deco building has been the production site of the first Luxembourgish Crémant Brand POLL-FABAIRE. The winery on the Moselle river banks offers three different rooms, suited for seminars and festivities such as banquets and receptions. In summer, our guests enjoy a glass of Crémant or wine with a tarte flambée on our terrace in the vineyards. We also offer commented Wine Tastings for corporate team buildings or to simply unwind and learn about Luxembourgish wine culture. Furthermore, we do offer guided tours to unveil the secrets of "Crémant de Luxembourg".
