

Casino Luxembourg - Forum d'art contemporain

Ideally located in the heart of the capital, the Casino Luxembourg – Forum d'art contemporain holds contemporary art exhibitions with an international programme of mainly younger-generation artists. The art centre houses public spaces with a variety of uses and vocations, combining contemporary art with a warm and friendly meeting place.

With its exhibition areas, the InfoLab, the "Aquarium", and the café-restaurant ca(fé)sino, Casino Luxembourg would be an exceptional setting for your private events and company visits.

Casino Luxembourg offers space rentals and special deals for company visits. These deals are devised for you to combine an exhibition visit with a lunch or aperitif while enjoying some time with your team or clients.

What's more, making these areas private gives you the opportunity to organise not only conferences or professional meetings, but also exclusive, made-to-measure evening events.

Whichever deal you select, you will enjoy a venue situated at the very heart of the city centre, in an exceptional setting, in a historic building, in a contemporary institution of international renown.
