

Grand Théâtre de Luxembourg

The Grand Théâtre features two different theatres: the „Grande Salle”, a 950-seat main auditorium and a studio with 280 seats.

The programme includes performances in opera, theatre and dance.

Over the years, the Grand Théâtre has evolved from a simple receiving house to a major coproduction partner for opera, theatre and dance productions with an international reputation. Both its theatres and the impressive foyer are often hired out for private or corporate events as well as for official occasions.
