

# Hémicycle

Luxembourg Congrès is in charge of the management of the Hémicycle and the [European Convention Center Luxembourg \(ECCL\)](#) located in the immediate vicinity of the business district and the European institutions and just a short walk away from several 4\*/5\* hotels, shopping area and tourist attractions.

The Hémicycle is unique of its type in Luxembourg for its past importance on the European stage and for its hemicyclic amphitheatre layout. This vast plenary room used to be the first European Parliament and has a capacity of 646 places (fixed furnishings). It also has comprehensive technological equipment including table microphones, screen, projector, Wi-Fi and translation booths.

Combined with the Hémicycle's Plenary Room, the Foyer can be hired to provide supporting facilities. Its size and décor make it a delightful place in which to relax between meetings, conferences or seminars.

With an outstanding panoramic view over the city of Luxembourg and its historic fortifications, the Hémicycle bar is modular to suit most requirements: 400 people seated at round tables for banquets, 700 people standing for cocktails and receptions.

Take a [virtual tour](#) of the Hémicycle
